Product Change Notification

TE Connectivity

Product Change Notification: E-19-008214-C **PCN Date:** 12-MAR-20

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
GPL 429, Grace Inertia 6 5, 7.92mm wire to board connectors

Description of Changes
Alternate raw material is added having equivalent performance

Reason for Cancellation:
Dear Customers, We have distributed a PCN “E-19-008214” in order to add an alternate material for Grace Inertia 6.5 and 7 92mm connector to get over the material shortage issue. However, this shortage issue has been resolved by increasing the material production capacity. Hence, we cancel the PCN “E-19-008214” which means we will NOT add an alternate material. Thank you.
