TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
TAT-125 and SCL Mil Spec Hold and new direct replacement Non-MIL Spec parts availability

Description of Changes
Dear Customer, Please be advised all TAT-125 and SCL Part Numbers (PN) with Mil Spec designation are on hold due to requalification requirements. Requalification from NAVAIR is indefinite and can be prolonged. in order to provide our valued customers with direct technical replacements that can be produced and shipped immediately, we have created NON-MIL Spec parts to directly replace existing MIL Spec parts. For customers and end-users that do not formally require the Mil Spec designation this will be the fastest option to receive product. These new PNs are exact technical copies of existing PNs, the only difference is they do not have the MIL Spec designation, and as such, there will be NO MIL Spec designation on the packaging of these new PNs. Call To Action: 1. Please review attached Excel file for a FROM-TO replacement guide. This file lists one-for-one replacements, NON-MIL Spec PN replacements for Mil Spec PNs on hold (unable to ship). 2. If a NON-Mil Spec replacement is acceptable, please work with customer care to convert current orders over to the new PNs For any additional questions or concerns please contact your local Customer Care Professional. **Other attachments:** Non-MIL spec parts info. PCN file

Reason for Changes:
Please be advised all TAT-125 and SCL Part Numbers (PN) with Mil Spec designation are on hold due to requalification requirements. Requalification from NAVAIR is indefinite and can be prolonged.

Description of Change

Dear Customer,
Please be advised all **TAT-125 and SCL Part Numbers (PN)** with Mil Spec designation are on hold due to requalification requirements. Requalification from NAVAIR is indefinite and can be prolonged.

in order to provide our valued customers with direct technical replacements that can be produced and shipped immediately, we have created **NON-MIL Spec** parts to directly replace existing **MIL Spec** parts. For customers and end-users that do not formally require the Mil Spec designation this will be the fastest option to receive product.

These new PNs are exact technical copies of existing PNs, the only difference is they **do not have the MIL Spec** designation, and as such, there will be **NO MIL Spec** designation on the packaging of these new PNs.

Call To Action:

1. Please review attached Excel file for a FROM-TO replacement guide. This file lists one-for-one replacements, **NON-MIL Spec PN** replacements for **Mil Spec PNs** on hold (unable to ship).
2. If a NON-Mil Spec replacement is acceptable, please work with customer care to convert current orders over to the new PNs

For any additional questions or concerns please contact your local Customer Care Professional.
