PCN information

Transfer Procedure and PPAP Details:

The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products, including internal release and product validation as per OEM/CAM requirements, where applicable. The new manufacturing location operates under a certified quality management system in accordance with defined requirements. PPAP/PSW will be prepared (as per agreements between the two parties, including the negotiated TE trigger matrix), a request via ePPAP (via www.te.com or request to TE Sales representative) needs to be initiated by Customer within 2 weeks after receiving of this PCN. In case no request is obtained till above mentioned date, PPAP/PSW will be considered as approved and the change is considered as fully released. In case a PPAP is required. Please use the PCN number on the top of this page for the request.
