Product Change Notification: PCN-22-134667 **PCN Date:** 05-APR-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
2 Position Sealed Plug Assembly - Production Manufacturing Location Change for Connector Inner Housing

Description of Changes
The Industrial and Commercial Transportation business unit of TE Connectivity is adding a new workstation to manufacture the connector inner housing of the part numbers listed below. These PN's are customer restricted design and require customer approval before shipment. Please provide us with your immediate approval to prevent shipment delays. PPAP and/or sample requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request. If PPAP requested, disposition response is required within 14 days of submit date or it will be considered approved. Product drawing is not affected. Reason for Changes: Dear Customer, we hereby inform you of this change. The new workstation is necessary to increase manufacturing capacity. The new workstation will be using the same tools and does not impact connector performance. IMPORTANT: No fit, form or function change. Parts off the new workstation are identical to current production. Shipments from current and new workstation may be mixed
