Product Datasheet

Product code: **708.SV**

Product type: Full Plastic Tweezers

Made in: Switzerland

Description: Type 708 full Plastic tweezers are suitable to applications which require holding a very fragile small component. The bent geometry provides maximum visibility and increased ergonomics. The Carbon Fiber reinforced ESD PVDF Plastic provides the tweezers with ESD and exceptional non-scratching properties combined with excellent chemical resistance.

Tip description: bent, very fine, short

Body material: PVDF (SV)
