Product Features (Please use the Product Drawing for all design activity)

Product Type Features:
- Product Type = Connector
- Gender = Plug
- Body Style = Right Angle
- Coupling Nut Style = Hex
- Safety Wire Holes = Without
- Grade = Commercial
- Body Material = Brass

Mechanical Attachment:
- Panel Attachment = Without

Electrical Characteristics:
- Connector Impedance (Ω) = 50
- Solderless = No
- Hex Head Size (Across Flats) (mm [in]) = 3.96 [0.156]

Termination Related Features:
- Coaxial Cable Termination Type = Solder

Body Related Features:
- Coupler Style = Thre
- Locking Interface = W
- Body Plating = Gold Grade C, Class 1

Contact Related Feature
- Center Contact Platir 45204, Type II, Grad

Configuration Related Fe
- Coaxial Cable Type =

Industry Standards:
- RoHS/ELV Compliance compliant
- Lead Free Solder Proc lead free processing

Conditions for Usage:
- Terminate To = Coax

Other:
- Brand = Microdot
