2-Post 6U Wall Mount Network Cabinet with Acrylic Door, 19" Wall-Mounted Server Rack for Data / AV / Electronics / Computer Equipment, Small Vented Rack Enclosure

Product ID: RK619WALL

The RK619WALL Wall Mounted 6U Server Rack/Cabinet can be fastened to most types of walls and features a sturdy, compact design that can be positioned almost anywhere without wasting valuable floor space.

This equipment rack offers 6U of storage space and is designed to accommodate 19-inch (wide) servers, networking and telecom equipment. The rack features a 12cm fan, with ventilation positioned above and below the front panel glass door, helping to keep dust out of the rack while ensuring a cool operating environment for your valuable equipment.

To ensure optimum security and prevent tampering with the enclosed equipment, the cabinet/rack features a lockable acrylic front door that can be removed entirely or installed to open to the left or right as needed.
