BAHCO

BAHCO 26” / 40” LEGENDARY TOOL TROLLEY

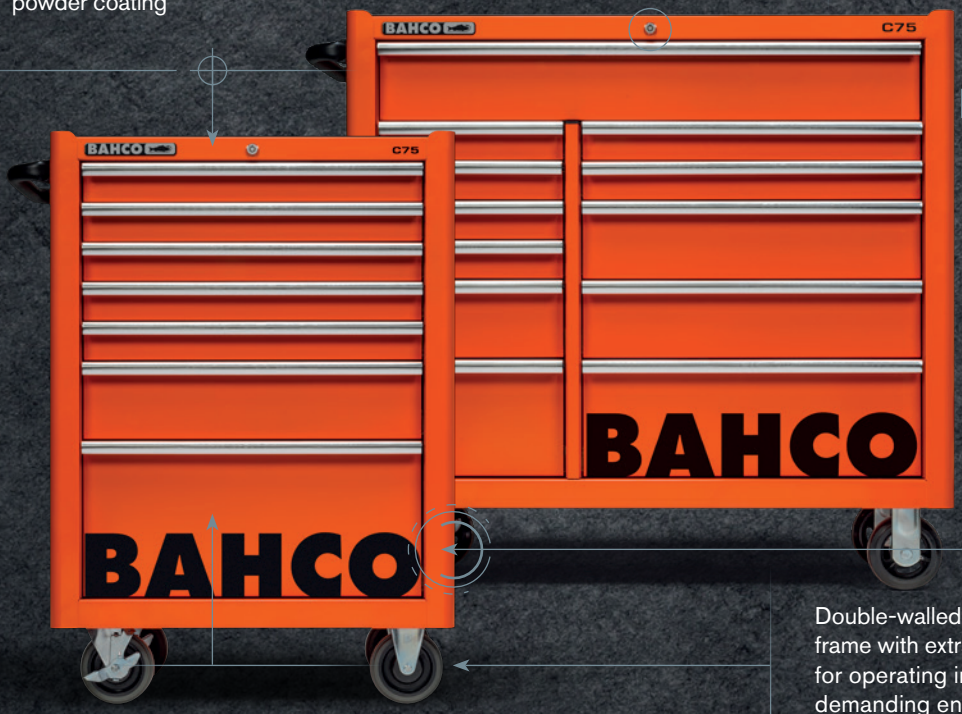

‘CLASSIC’ C75

With a host of new features and personalisation options, our redesigned C75 Classic tool trolley combines the performance and innovation we’ve built our reputation on. The front of the 26” and 40” designs pair robust, sturdy design with rounded corners, to ensure maximum protection without sharp edges. While an aluminium trim reinforces the classic look, a new heavy-duty case and innovative special features, like fully-opening drawers, Lock&Go latching and an anti-theft locking system, mean optimal safety is assured in any working environment.

Anti-theft round locking system

Add-on solutions for attaching a wide range of accessories

Painted in- and outside with a high-quality scratch resistant powder coating

‘Fit&Go’ foam inlays and ‘BETMS’ solutions provide an organized and efficient tool configuration

Double-walled reinforced frame with extra welding points for operating in the most demanding environments

Full opening drawers with aluminum trims and ‘Lock&Go’ latching system

Smooth and silent rubber wheels with two brakes
