Product Change Notification: P-23-024402 **PCN Date:** 17-APR-23

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
4pos MQS .63 header 180deg

Description of Changes
This Product Change Notification(PCN) is to inform about a transfer of assembly lines for below PNs from TE Esztergom(HU) to TE Shirwal(IN).Transfer follows a strict procedure,which fully maintains quality,ability to supply,form-fit-function of the concerned products,including internal release and product validation as per OEM/CAM requirements,where applicable.New manufacturing location operates under certified quality management system in accordance with IATF.The product in scope of this PCN are general sales product,therefore no full PPAP will be submitted externally.In case Customer needs a PSW (part submission warrant, as per agreements between two parties,including the negotiated TE trigger matrix),request via ePPAP(via www.te.com or request to TE Sales representative)needs to be initiated by Customer within 2 weeks after receiving of this PCN.In case no request is obtained till above mentioned date, PSW will be considered as approved and the change is considered as fully released

Reason for Changes:	
Current market situation and e-mobility move drives specific product growth and reached limits in workforce especially in Eastern Europe locations. Consequently, an operational footprint move is required to avoid capacity constraints and further cost increases on top of the accelerating inflation.
