Product Change Notification

TE Connectivity

Product Change Notification: P-23-024055 **PCN Date:** 14-FEB-23

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
PPQ and MOQ change for process optimization

Description of Changes
For process optimization we will change the PPQ/MOQ from 3000 to 2500 pieces in the same corrugated box. This is because we will use an automatic packing line which closes the corrugated box instead of a manual operation to close the corrugated box.

Reason for Changes:	
Product improvement.As a result of our continuous strive for improving the quality of our processes, we hereby inform you about the change of the packaging. The change will have no negative influence on quality, ability to supply and form-fit- of the concerned products.
